

Municipalities in RSA After 1996

Coordinates municipalities, supports traditional leadership

National Political Parties elected every 5 years

Oversight by the AG with restricted powers over Municipalities

No more are the community served the Political Party is served

Local Government Political Parties elected every 5 years

Decisions are now made in Pretoria and Cape Town by the Political leader in central government

The current system is failing; the only way to fix it is to change it.

Decisions are made in the interest of the political party no in the interest the community it serves

Villages

Towns

Cities

Today South Africa is known as one of the worst municipal management countries in the world
