First:

The community comes first. All organisations exist **because of the community**.

Second:

The Ratepayers' Associations are community leaders—formed **by the community, for the community**.

Third:

Garden Route First - shield and **protects councillors** from political interference and provides a coordinating role.

Fourth:

Councillors report back to the community through the **Ratepayers' Associations**.

Fifth:

The municipality must be controlled **by the community, for the community**—not by politics.
